

Thank you for your interest in Adventure Time Preschool!

In this packet, you will find the necessary forms for your child's enrollment. Your child's place in our program will be secured when we receive a completed application along with the \$130.00 non-refundable enrollment fee. You will receive a letter in July telling you about the start of school and about our Open House.

Please take the time to look through all of the enclosed forms. The **Medical Record Form**, **Child Health Assessment Form**, and the **Emergency Treatment Form** *must be turned in before your child can start school*. The Child Health Assessment Form requires a doctor's signature. The Emergency Treatment Form should be notarized.

We are looking forward to getting to know your child, and having them and you be a part of the ATPS family! If you have any questions, please feel free to reach out.
