Parent's Day Out: 2 years - 3 years

Our Parent's Day Out program is a great way to introduce your child to a group setting. This class offers your child a day full of fun, with singing, stories, music and movement and much more. They don't have to be toilet trained for this class. This is a great option for a young 3 year old who is still working on potty training. You may choose to send your child one or two days a week.
